ABOUT ME

I am a passionate Web Developer with experience in both frontend and backend development, eager to associate with an organization that provides a challenging work environment. My long-term career goal is to prove my excellence at every step. I am highly efficient and passionate about learning new concepts, ideas, and techniques, striving to reach new heights in my career with proven expertise.

WORK EXPERIENCE

Jr. Web Developer

Nov 2023 - Feb 2024

NextTech Limited Bangladesh

I work as a web developer, specializing in creating responsive websites that provide exceptional user experiences. I utilize React.js, Tailwind CSS, and PHP to develop functional and visually appealing web applications. My focus is on ensuring that the websites I build meet the specific needs and expectations of my clients.
